AHMAD FAIZAL

Full Stack Developer (Mobile Specialist)

@ w.s.top.prof@gmail.com 📍 Malaysia

SUMMARY

As a full-stack developer with 6 years of professional experience, I specialize in mobile development, utilizing the latest technologies to create innovative applications. My passion for coding drives me to continuously enhance my skills, enabling me to deliver solutions that not only meet client expectations but also delight users. I pride myself on my adaptability and collaboration within teams.

EXPERIENCE

Full-Stack Developer

Tech Solutions Inc. 📅 06/2019 - Present 📍 Kuala Lumpur, Malaysia

A leading tech company specializing in mobile app solutions.

- **Developed 6+ cross-platform mobile applications using Flutter and React Native**, resulting in a 25% average increase in user engagement and a 30% reduction in development time compared to previous native solutions.
- Collaborated on backend development using Node.js and Express.
- Implemented responsive UI/UX designs based on user feedback.

Mobile Developer

App Innovators 📅 06/2018 - 05/2019 📍 Penang, Malaysia

A startup focused on innovative mobile applications.

- Led a team of developers to enhance existing mobile applications.
- Integrated RESTful APIs for better functionality.
- Ensured application performance and optimized database operations.

EDUCATION

Bachelor's in Computer Science

University of Malaya 📅 09/2015 - 05/2019 📍 Kuala Lumpur, Malaysia

PROJECTS

City Council App

📅 01/2022 - 06/2022 📍 Remote

A mobile application to track fitness activities and connect users.

- Developed a fitness tracking app with integrated social features.
- Utilized Flutter for cross-platform compatibility.

E-Commerce Platform

📅 02/2021 - 08/2021 📍 Remote

An online shopping application catering to various consumer needs.

- **Led a team of 5 developers to enhance and maintain 4 high-traffic mobile applications**, improving performance by 40% and reducing crash rates by 50% through optimized code and rigorous testing.
- Implemented secure payment gateway and user authentication.

INTERESTS

Coding Enthusiast
Enthusiastic about coding challenges and community coding events.

Tech Trends Explorer
Avid follower of tech blogs and trends in mobile development.

STRENGTHS

Problem Solver
Excellent at problem-solving, providing innovative solutions.

Team Collaboration
Strong team player, contributing effectively to group projects.

KEY ACHIEVEMENTS

User Engagement Enhancement
Successfully led a mobile development project that increased user engagement by 40%.

High-Impact Application Development
Completed over 15 mobile applications that are currently in use by thousands of users.

SKILLS

Hard Skills

JavaScript React.js Node.js Flutter React Native HTML/CSS Next.js Vue.js Angular Python Java MySQL MongoDB Firebase API Development Git DevOps Webpack Docker Firebase GraphQL Redux TypeScript

Soft Skills

Team Collaboration Problem Solving Time Management Adaptability Creative Thinking
